Colours

PRIMARY

NEUTRAL

SECONDARY

TRANSPARENCY

This rule can be applied to every color seen on these palettes. For example, you can apply this scale to the Neutral 900 color. Same rule should also be applied to components like buttons, icons, etc.

Icons

They come in five sizes — Extra Small, Small, Medium, Large and Extra Large

EXTRA SMALL

12px

SMALL

16px

MEDIUM

24px

LARGE

48px

EXTRA LARGE

56px

Avatars

To be used in cards and profile pages.

LARGE

48px

EXTRA LARGE

64px
